

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

ALISON JOHNSON,

Plaintiff,

v.

GORDON R SCOTT,

Defendant.

CASE NO. C20-390 MJP

ORDER ON STIPULATED
MOTION TO REVISE CASE
SCHEDULE

The Court, having received and reviewed the Stipulation For Order Continuing Trial Date and Amending Case Schedule (Dkt. No. 11), makes the following findings:

The motion contains insufficient facts to establish good cause for a continuance of the trial date and for a revision of the case schedule. The Parties do not explain why mediation, which is not required by the Court, necessarily interjects delay in this matter. The Parties also fail to adequately explain what specific discovery cannot be conducted and completed before the December 4, 2020 cut-off.

Therefore, IT IS ORDERED that the request to revise the existing case schedule is DENIED without prejudice to bring a renewed motion which cures the defects noted above.

1 The clerk is ordered to provide copies of this order to all counsel.

2 Dated October 2, 2020.
